Blocking Jerome's  
number is the  
best thing, I have  
already blocked  
him!!

Again he has his  
own issues .

I so appreciate the  
update.

I actually had  
surgery tonight  
at my outpatient

I actually had  
surgery tonight  
at my outpatient  
surgery center so  
I just finished.

I trust you  
10000%.  
Everyone who  
knows you says  
the nicest things  
about you!!

I'm very lucky  
to get a room  
next to her sister.

I'm very lucky  
to get a room  
next to her sister  
and have you in  
charge.

Just do for my  
mom what you  
would do for your  
mom.

If she needs  
behavioral  
medication you  
can get it thru me
